

## Thanks for help with fundraiser

Friday, July 11, 2014 at 11:49 pm

Truly outstanding and combined efforts came to a successful conclusion on June 28. That day Rolling Thunder, Florida Chapter 7 held its eighth annual Independence Day Golf Tournament on the beautiful course of Citrus Springs Golf and Country Club.

Because of the many organizations, businesses and people who participated, our Citrus County veterans, both active and inactive, and in many cases their families, will continue to be remembered, cared for and assisted by our organization. Rolling Thunder Florida Chapter 7 would like to publicly thank all who contributed.

The Citrus County Chronicle, because of its sponsorship and advertising, was key in getting out the word of this event. The Village Crier and WYKE also helped in this area.

Thank you to our major sponsors: Citrus County Chronicle, Connolly Sod and Landscaping, E.B.I. Surveying, Reade Mfg., Hart Metals, Vietnam Veterans Gathering, Citrus County Sheriff's Office., VFW Post 10087 Beverly Hills, Citrus Kia, DAV Chapter 70, The Healing Place, Main Street Lounge and Grill, Pinch a Penny, Helen and Al Brunstrom, Ron and Pat Marshall, Ray and Penney Thompson, John and Betty Jolicouer, Greg and Mary Ann Soloway, Tvenstrup and Dorothy and Robert Hallowell.

There were many recognized hole sponsors, along with individuals and companies who contributed to the door prizes that were handed out at the end of the tournament during dinner. We thank and appreciate you all and wish we had room to list each and every one. Your generosity went beyond the everyday.

The staff at Citrus Springs did a tremendous job helping to feed all those hungry and thirsty golfers!

Rolling Thunder Chapter 7 is proud to be located in a community whose citizens are so willing to step up and lend a helping hand and so much more. You all gave not just from your pockets, but from your hearts. And for all the contributions, hard work and smiles we say again, thank you! God bless you all and God bless America and our veterans.

Mary Ann Soloway, Rolling Thunder Fl. Chapter 7
