

## **Thanks for support of Rolling Thunder event**

Rolling Thunder Florida Chapter 7 would like to thank all who participated in our Poker Run held on Oct. 25 for the benefit of Operation Welcome Home and the Homeless Veterans of Citrus County. The weather was perfect for cruising through the country side whether it was by motorcycle or that 1980 corvette. You all contributed to the success of the day.

Special thanks to American Legion Post 237 in Beverly Hills, which was the start and end of the run. The post and its auxiliaries were both gracious and generous to the cause. Thanks also to Inglis AmVets for its generosity and welcome. Each VFW post, VFW Post 8199 in Homosassa, VFW Post 7122, Floral City and VFW Post 4252, Hernando opened its doors and hearts for our veterans and their needs. And, by the way, the ribs were finger-licking good.

Thank you all. The music (and commentary) by Alan at the end of the run helped keep the good times rolling.

The media coverage spread the word of this event and so we add our thanks to the *Citrus County Chronicle*, Mike Schnieder of WRGO "FUN 102.7, (provided by C. J. Dixon) and also to WYKE. The community came together to make this another resounding success. God bless you all, our Veterans and God bless America.
