Thank you for a great tourney

Rolling Thunder Florida Chapter 7 extends a huge thank-you to all who made our ninth annual Independence Day Golf Tournament a success. This year's event was once again held on the beautiful course of Citrus Springs Golf and Country Club. The staff there was accommodating and professional, going above and beyond with their service to make this catered event a success, from beginning to end.

So many contributed with donations, both monetary and material, hard work, smiles, golfing expertise and lots of sweat!

Thanks to the Citrus County Chronicle staffers, including Deborah Kamlot and advertising team C, the media coverage alerted many to the tournament. The donations of the following kept the wheels turning and balls rolling: Thank you Citrus Kia for the Hole-in-One sponsorship. Our gratitude continues for the generous contributions of the following organizations and individuals: VFW Post 10087 Beverly Hills; the Men's Auxilliary of VFW Post 10087; American Legion Post 237; DAV Chapter 70; American Legion Post 155 Honor Guard; Vietnam Veterans Gathering; Crystal Harley Davidson; Drive Sweet L.L.C.; Connolly's Sod Nursery; Citrus County Sheriff's Office; The Healing Place and Dr. P. Kallenbach; Main Street Restaurant and Lounge; Rywant, Alvarez, Jones, Russo, Guyton; Michael C. So many Rolling Thunder members and individual persons and businesses contributed to the abundance of the door prizes and auction table, we were overwhelmed. Thank you all.

Once again, Citrus County stood up and proved their dedication and love for the welfare of our veterans, past, present and all our POW/MIA veterans. They are no

forgotten by you, nor by the Rolling Thunder Organization. And with the cooperation of all American citizens, the goal and mission of Rolling Thunder will continue. Thank you and God bless you and the United States of America.
